

ARTFULLY INNOVATIVE
CANHEIT 2021

PROGRAM

31st May 2021

10:30am

CUCCIO Tenant - Site TBD

All SIG Get Together

11:00am

CUCCIO Tenant - Teams Site for each SIG

Individual Concurrent SIG Meetings

12:00pm

CUCCIO Tenant - Site TBD

All SIG Refreshment Hour

1:00pm

CUCCIO Tenant - Teams Site for each SIG

Individual Concurrent SIG Meetings

2:00pm

CUCCIO Tenant - Teams Site for each SIG

Individual Concurrent SIG Meetings

10:00am

EXHIBITOR POWER HOUR

11:00am

OPENING CEREMONIES

11:45am - Break

1st June 2021

12:00pm

Good Security is Shared Security (CanSSOC)

Good security is shared security: A Canadian Approach

Ms. Jill Kowalchuk (CanSSOC), Ms. Gayleen Gray (McMaster University), Mr. Isaac Straley (University of Toronto), Mr. Chad Collier (SRNET)

ISAIC MOSAIC: Our unique and collaborative design to deliver innovative AI services to businesses and academia.

Mr. Gordie Mah (University of Alberta), Mrs. Lindsay Sill (ISAIC)

Myths and Realities in Cloud SaaS Migration

Myths and Realities in Cloud SaaS Migration

Mr. Daryl Dore (University of Waterloo), Mr. Jamie Chinn (University of Lethbridge)

1:00pm

Facilitated Wellness Session (Bring Your Stress Ball)

1:15pm

Federated Approach to Actionable Intelligence

The Federated Approach to Actionable Intelligence

Mr. Indraneel Joshi (CanSSOC), Mr. Ivor MacKay (BCNET), Mr. Gerrit Bos (MRnet), Mr. David Smith (ORION)

Redux: Effectiveness of Information Risk Self-Assessments

Redux: Effectiveness of Information Risk Self-Assessments

Ms. Robin Wilcoxon (University of Toronto), Ms. Sue McGlashan (University of Toronto)

Bridging the Gaps - Effective Collaboration During the Pandemic

Bridging the Gaps - Effective collaborations during the pandemic

Ms. Lisa Tomalty (University of Waterloo), Ms. Andrea Chappell (University of Waterloo), Mr. Andrew McAllister (OCAD University)

AWS Technical Session

Research Administrative Datahub: UOttawa New Cloud Analytics Platform

Research Administrative Datahub: uOttawa new cloud analytics platform

Mr. Kevin Turcotte (University of Ottawa)

2:00pm

EXHIBITOR POWER HOUR

3:00pm

CUCCIO's Leadership Development Program: Do you really want to be a CIO?

Culture, Context & Community for Aspiring Higher ED IT Leaders

Do you REALLY want to be a CIO...? Culture, Context and Community for Aspiring Higher Ed IT Leadership

Ms. Gayleen Gray (McMAster University), Mr. Bob Cook (CUCCIO)

Cyber Threats Transcend Borders: Global Sharing to Support Higher Ed

Cyber threats transcend borders: Global sharing to support the sector

Ms. Jill Kowalchuk (CanSSOC), Mr. Dave O'Loan (AARNet), Mr. Lee Harrigan-Green (JISC), Mr. Martin Vezina (McGill University)

How to Report to a CISO

How to report to a CISO

Ms. Sue McGlashan (University of Toronto), Mr. Deyves Fonseca (University of Toronto)

Athabasca's All-In Migration to AWS

Athabasca University Completes All-in migration to AWS

Mr. Graeme Denney (Athabasca University)

Line up Virtually Anywhere at UOttawa

Line up virtually from anywhere at the University of Ottawa

Ms. Lee-Anne Hupe (University of Ottawa), Mr. Paul Mercier (University of Ottawa), Ms. Véronic Tardif (University of Ottawa)

Data Quality: Rebuild your Organizartion with a Data Mindset

Data Quality: Rebuild your organization with a Data Driven mindset

Mr. NICOLAS ROSENFELD (University of Ottawa)

2nd June 2021

10:00am

EXHIBITOR POWER HOUR

11:00am

ALEX BENAY - KEYNOTE

11:45am - Break

12:00pm

The Higher Ed CIO and the Pandemic

The Higher Ed CIO and the Pandemic

Mr. Bo Wandschneider (University of Toronto), Ms. Gayleen Gray (McMaster University), Mr. Brian Stewart (University of Alberta), Ms. Jennifer Burns (University of British Columbia)

Security is from Mars, Privacy is from Venus

Security is from Mars; Privacy is from Venus

Mr. Isaac Straley (University of Toronto), Ms. Pegah Parsi (University of California, San Diego)

Secure Software Development Lifecycle (SSDLC)

SSDLC (Secure Software Development Lifecycle)

Mr. Rajesh Dawar (University of Ottawa)

UofT's Chatbot Solution: Connecting Students to Mental Health Resources

U of T's AI Chatbot Solution - Connecting Students to Mental Health Resources

Ms. Meagan Lau (University of Toronto), Ms. Kim Elias-Cartwright (University of Toronto), Mr. David Newman (University of Toronto), Ms. Jennifer Nolan (IBM)

CRM Proof of Concept and Readiness

CRM Proof of Concept & Readiness

Ms. Sophia Holness (McMaster University), Ms. Lori Patrick (McMaster University), Ms. Amanda Baldwin (Assoc. Director, Strategic Implementation, McMaster University)

1:00pm

Facilitated Wellness Session (Bring your stress ball!)

1:15pm

Dell Technical Session: Campus Cybersecurity Trends and Challenges in Post-Secondary Education

Creative Collaborations in Cyber Security (NREN)

Creative Collaborations in Cybersecurity

Mr. David Smith (ORION), Mr. Dana Sanderson (UPEI), Mr. Kevin Parent (CANARIE)

Security Planning, Leadership, Policy and the Inevitable Unexpected

Security Planning, Leadership, Policy, and the Inevitable Unexpected

Mr. Mark Roman (Simon Fraser University)

Enterprise Architecture Journey at UOttawa

Enterprise Architecture Journey at uOttawa

Ms. MaryAnn Welke Lesage (University of Ottawa)

Sustainable IT at U Waterloo

Sustainable IT

Mr. Andrew McAlorum (University of Waterloo), Mr. Mat Thijssen (University of Waterloo)

Enabling the Digital Transformation of Campus Wellness

Enabling the Digital Transformation of Campus Wellness – Implementing a new Electronic Health Record System

Mr. Nathan Lee (University of Waterloo), Mr. Greg Smith (University of Waterloo)

2:00pm

EXHIBITOR POWER HOUR

3:00pm

Birds of a Feather: How Relationships Power Our Resiliency

How relationships power our resiliency

Ms. Sandeep Sidhu (Emily Carr University), Ms. Lisa Tomalty (University of Waterloo), Mr. Mike Popoff (Concordia)

Birds of a Feather: Ask Me (Almost) Anything about Cyber Security

Ask Me (almost) Anything about Cyber security

Mr. Nav Bassi (University of Victoria), Mx. Denise Ernst (Queen's University), Mx. Ian Thomson (Trent University), Mx. Colin Couchman (Western University)

Birds of a Feather: LMS Migration Adventures: Reducing Storage

LMS Migration Adventures - Reducing Storage

Mr. Michael Guy (Ontario Tech University)

Bird of a Feather: Virtual Labs with Azure Virtual Desktop

Virtual Labs with Azure Windows Virtual Desktop

Mr. Andreas Paulisch (Brock University)

Bird of a Feather: Chosen Name Policy Implementation - Working Together

Chosen Name policy implementation - working together

Ms. Lori Murray (University of New Brunswick)

Concurrent Lightning Talks

2 talks of 15 mins, back to back in one zoom room

3 rooms running concurrently

Zoom Room 1 = #121, 113 - All MacMaster, all teams/0365 related

Zoom Room 2 = #126, #103, Open Source AWS, Stats CANSSOC

Zoom Room 3 = #46 , #28 Automated Testing, Sally (Accessibility)

Driving M365 adoption by building Communities of Practice

Ms. Christa Morrison (Business Systems Specialist, Collaboration and Productivity Services, McMaster University), Mr. Bryan Czerneda (Software Management Coordinator, Collaboration and Productivity Services, McMaster University)

'Early' SharePoint Adoption – Utilizing New Technologies in a Crisis

Mr. Carson Phelan (Business System Analyst, McMaster University), Mrs. Princy Olakkengil (Business System Analyst, McMaster University)

Using an open-source project to develop an AWS serverless application for secure delivery of secrets

Dr. Zdenek Nejedly (University of Guelph)

Statistical anomaly detection techniques

Mr. David Auclair (CanSSOC)

Relax let Katalon do it for you

Mrs. Wegdan Abdelsalam (Wilfrid Laurier University)

Meet Sa11y: The accessibility quality assurance assistant

Mr. Adam Chaboryk (Ryerson University)

3:45pm - Break

4:00pm

CULINARY TASTING -MONTREAL OLD PORT

3rd June 2021

10:00am

EXHIBITOR POWER HOUR

11:00am

KEYNOTE - KATHY MACDONALD

11:45am - Break

12:00pm

Organization & Program Change Management: Two Perspectives

Organization and Program - Change Management

Mr. Mario Lebar (University of Manitoba), Mr. Gary Doucette (Acadia University)

Lessons Learned from Cyber Security Program at Queens

Lessons learned from Cybersecurity Program at Queen's University

Mrs. Marie-Claude Arguin (Queen 's University), Mrs. Daisy Vora (Deloitte)

CanSSOC Threat Feed: Protection, Detection and Intelligence Sharing

CanSSOC Threat Feed: Protection, Detection and Intelligence Sharing

Mr. Axel Schulz (CanSSOC), Mr. Carl Chan (University of Toronto), Mr. Paul Ewen (University of Saskatchewan), Mr. Dave Mayo (St. Lawrence College)

The Value of Higher ED IT Communication

The Value of Higher Ed IT Communications

Ms. Lisa Speigel (Acadia University), Ms. Jyll Weinberg-Martin (University of Guelph), Ms. Jessica Gallagher (Ryerson University), Mr. Bob Cook (cCI)

1:00pm

Facilitated Wellness Session (Bring your stress ball!)

1:15pm

D2L Technical Session

The Reset: Responding to Rapidly Changing Demands in Information Security

The Reset - Responding to the Rapidly Changing Demands in Information Security

Mrs. Tracy Dallaire (McMaster University)

Benchmarking Cyber Security at Canadian Colleges and Universities

Benchmarking cybersecurity at Canadian colleges and universities

Mr. Brian Lesser (Ryerson University)

What Does Enterprise Architecture Mean to You?

What does Enterprise Architecture mean to you?

Mr. Oliver, Jeff (University of Lethbridge)

Sap Transformation with Azure Cloud

SAP Transformation with Cloud Azure

Mr. Praveen Narayanaswamy (University of Toronto), Mr. Sarosh Jamal (University of Toronto)

2:00pm

EXHIBITOR POWER HOUR

3:00pm

Bird of a Feather: Improving the Way We Work with JIRA Service Management

Improving the way we work with Jira service management

Mr. Andrew McAlorum (University of Waterloo), Mr. Matthew Harford (University of Waterloo)

Bird of a Feather: GSuite to MS365 Migration for Students

Taming the mail complexity - Google G Suite to Microsoft 365 migration for students

Mr. David Saunders (University of Lethbridge), Mr. Ian Samuelson (University of Lethbridge)

Birds of a Feather: Universal Design for Learning

The Universal Design for Learning (UDL): An Online Post-Secondary Educator Micro-credential for Inclusion, Diversity, Equity and Accessibility (IDEA) project

Ms. Marinette Fargo (University of Guelph), Prof. Nick Baker (University of Windsor), Mr. Mark Lubrick (University of Windsor), Ms. Lorna (Lorie) Stolarchuk (University of Windsor), Ms. Cherie Gagnon (University of Windsor), Ms. Erika Kustra (University of Windsor), Ms. Jaimie Kechevo (University of Windsor)

Bird of a Feather: On-Line Exams and Proctoring

Online exams and proctoring

Ms. Sandra Gabrielle (Concordia), Mr. Alex Aragona (Concordia)

Bird of a Feather: ITSM and ITIL Implementations

Implementation of an ITSM Tool and Management of ITIL Process

Mr. Jean-Francois Dion (University of Ottawa), Mr. Kais Laribi (University of Ottawa)

Concurrent Lightning Talks

Zoom Room 1 = #105, #78, #57

Zoom Room 2 = #104, 122

Students participate, collaborate, partner and advise on the use of technology at McMaster University

Ms. Christa Morrison (Business Systems Specialist, Collaboration and Productivity Services, McMaster University), Mr. Dabeer Abdul-Azeez (Undergraduate Student Engineering Physics and Biomedical Engineering), Ms. Dione Leung (Undergraduate Student Humanities)

Connecting with Our IT Students; New Student Engagement Coordinator Position

Ms. Amélie Leroux (uOttawa), Mr. Martin Bernier (uOttawa)

How York University's forward-thinking approach to IT meets the student demands of today and tomorrow

Mr. Oliver Chan Kong (York University)

Culture in a time of COVID: Cultivating McMaster IT culture and collaboration in a remote working environment

Ms. Tanya Reid (Manager, Communications & Culture, McMaster University), Ms. Amanda Baldwin (Assoc. Director, Strategic Implementation, McMaster University)

Leveraging Microsoft Teams for remote and online teaching & learning, working remotely and online events

Ms. Christa Morrison (Business Systems Specialist, Collaboration and Productivity Services, McMaster University), Ms. Carmalita Larkin (IT Manager: Collaboration and Productivity Services, McMaster University)

3:45pm - Break

4:00pm

Gala AWARDS

4th June 2021

10:00am

EXHIBITOR POWER HOUR

11:00am

Countdown to Liftoff

Count Down to Lift Off

Ms. Gayleen Gray (McMAster University)

Evolution of Information Security thru Agile Transformation (Laval)

Evolution of information security through an Agile transformation

Mr. Guillaume Dubé (Université Laval)

Evolution of Privacy and Security Assessments (WLU)

The Evolution of the Privacy and Security Impact Assessment

Ms. Jennifer Ferfolja (Wilfrid Laurier University), Ms. Ladan Heit (Wilfrid Laurier University), Ms. Shara Spencer (Wilfrid Laurier University)

Pedagogical Interactions within Immersive Learning Environments

Pedagogical Interactions within Immersive Learning Environments

Dr. Paula MacDowell (University of Saskatchewan), Mr. Brent Olson (University of Saskatchewan)

Data Governance at UManitoba

Data Governance and University of Manitoba

Mr. Terry Bunio (University of Manitoba)

11:45am

Faciliated Wellness Sesssion (Bring your stress ball!)

12:00pm

How are They Really Doing: Not Just Engagement but Action

How are you really doing? Not just engagement, but also action.

Ms. Kristin Wilkes (Capilano University)

Center for Cyber Security at Concordia

Center for Cybersecurity at Concordia

Mr. Mourad Debbabi (Concordia)

Managing and Responding to the Vulnerability Data Deluge

Managing and responding to the Vulnerability Data Deluge

Mr. Dennis Hayson Wong (CanSSOC), Mr. Paul Webber (Ryerson University), Mr. Rob Milman (SAIT)

Unity At Concordia

Unity at Concordia - A key transformational project

Ms. France Bigras (Concordia), Ms. Gracy Pardillo (Concordia), Ms. Carolina Willsher (Concordia), Mr. Jean-Sebastien Bessette (Concordia)

Integrated Learning Environment (Athabasca)

Integrated Learning Environment

Mr. Ted Erickson (Athabasca)

From Data Governance to Data Strategy

From Data Governance to Data Strategy: The Evolution of the Institutional Data Governance Program at the University of Toronto

Ms. Kiren Handa (University of Toronto), Mr. Jeffrey Waldman (University of Toronto)

1:00pm - Break

1:15pm

Better and Stronger Men as Allies

Better and Stronger Men as Allies

Ms. Diana Wittmann (uOttawa), Mr. Martin Bernier (uOttawa)

Two Paths to MFA

Two paths to two-factor authentication, part three!

Mr. Brian Lesser (Ryerson University), Mr. Andrew Ward (University of Waterloo)

Digital Transformation - A New Hope

Digital Transformation - A New Hope

Mr. Brian Stewart (University of Alberta)

Guided Tour Manager: A Re-usable Framework for Visualization of Complex 3D Spaces

GuidedTourManager: A re-usable framework for visualization of complex 3D spaces

Mr. Dante Cerron (UBC), Ms. Julia Chu (UBC)

How UOttawa is using EA for Planning its ERP Replacment - Collaboration in Practice

How uOttawa is using Enterprise Architecture to plan its ERP replacement: Collaboration in Practice

Mr. Troy MacFarlane (uOttawa), Mrs. Ingrid Hernandez Remedios (uOttawa), Mrs. Stephanie Pereira (uOttawa)

2:00pm

LAST CHANCE EXHIBITOR MEET UP

3:00pm

CHRIS HOWARD -KEYNOTE

3:45pm

CLOSING
